Product Datasheet

VEGF Mouse, Yeast **ABI-32-6592-100**

Artikelname	VEGF Mouse, Yeast
Artikelnummer	ABI-32-6592-100
Hersteller Artikelnummer	32-6592-100
Alternativnummer	ABI-32-6592-100-100UG
Hersteller	Abeomics
Kategorie	Zellen/Zellkultur
Applikation	FA
Produktbeschreibung	Source: Saccharomyces cerevisiae Sterile Filtered White lyophilized (freeze-dried) powder. Vascular endothelial growth factor is an important signaling protein involved in both angiogenesis and vasculogenesis.VEGF activity has been mostly studied on ...
Reinheit	Greater than 97.0% as determined by:(a) Analysis by RP-HPLC.(b) Analysis by SDS-PAGE.
Application Verdünnung	The ED50 as determined by a cell proliferation assay using human umbilical vein endothelial cells(HUVEC) is 1.0-5.0 ng/ml.
