Product Datasheet

VEGF Rat (120a.a.), Yeast ABI-32-6595

Artikelname	VEGF Rat (120a.a.), Yeast
Artikelnummer	ABI-32-6595
Hersteller Artikelnummer	32-6595
Alternativnummer	ABI-32-6595-250UG
Hersteller	Abeomics
Kategorie	Zellen/Zellkultur
Applikation	FA
Produktbeschreibung	Source: Saccharomyces cerevisiae Sterile Filtered White lyophilized (freeze-dried) powder. Vascular endothelial growth factor is an important signaling protein involved in both angiogenesis and vasculogenesis.VEGF activity has been mostly studied on ...
Reinheit	Greater than 90.0% as determined by:(a) Analysis by RP-HPLC.(b) Analysis by SDS-PAGE.
Application Verdünnung	The ED50 was measured in a cell proliferation assay using HUVEC human umbilical vein endothelial cells and was found to be 2-10 ng/ml.
