DDX4 NMB-X2765B

Artikelname	DDX4
Artikelnummer	NMB-X2765B
Hersteller Artikelnummer	X2765B
Alternativnummer	NMB-X2765B
Hersteller	NordicMubio
Kategorie	Proteine/Peptide
Applikation	Blocking
Produktbeschreibung	This peptide is the immunogen used to make Cat X2750P. DDX4 is an ATP-dependent DEAD-box RNA helicase found in the chromatoid body of the germ cells. This enzyme is specific to germ cells and is necessary for germ cell development. Mouse DDX4 was sh...
Konzentration	See vial for concentration
Puffer	Provided as solution in phosphate buffered saline with 0.08% sodium azide
Formel	Provided as solution in phosphate buffered saline with 0.08% sodium azide
Anwendungsbeschreibung	Optimal concentration should be evaluated by serial dilutions.
