### Rabbit anti Human S100P-Binding Protein NMB-X2757P

|                          |   |
|--------------------------|---|
| Artikelname              | Rabbit anti Human S100P-Binding Protein   |
| Artikelnummer            | NMB-X2757P  |
| Hersteller Artikelnummer | X2757P  |
| Alternativnummer         | NMB-X2757P  |
| Hersteller               | NordicMubio   |
| Wirt                     | Rabbit  |
| Kategorie                | Antikörper  |
| Applikation              | EIA, IHC, WB  |
| Spezies Reaktivität      | Human   |
| Immunogen                | Synthetic peptide derived from human S100P-binding protein.   |
| Produktbeschreibung      | The function of this binding protein is not fully known. It is known to interact with the S100P and colocalizes with S100P in the nucleus. S100P may stimulate cell proliferation in an autocrine manner via activation of the receptor for activated glyc... |
| Konzentration            | See vial for concentration  |
| Isotyp                   | IgG   |
| UniProt                  | <a href="#">Q96BU1</a>  |
| Puffer                   | Provided as solution in phosphate buffered saline with 0.08% sodium azide   |

|                        |   |
|------------------------|---|
| Reinheit               | Antigen Immunoaffiinity Purification                                      |
| Formel                 | Provided as solution in phosphate buffered saline with 0.08% sodium azide |
| Anwendungsbeschreibung | Optimal concentration should be evaluated by serial dilutions.            |
