S100P-Binding Protein NMB-X2772B

Artikelname	S100P-Binding Protein
Artikelnummer	NMB-X2772B
Hersteller Artikelnummer	X2772B
Alternativnummer	NMB-X2772B
Hersteller	NordicMubio
Kategorie	Proteine/Peptide
Applikation	Blocking
Produktbeschreibung	This peptide is the immunogen used to make Cat X2757P. The function of this binding protein is not fully known. It is known to interact with the S100P and colocalizes with S100P in the nucleus. S100P may stimulate cell proliferation in an autocrine ...
Konzentration	See vial for concentration
Puffer	Provided as solution in phosphate buffered saline with 0.08% sodium azide
Formel	Provided as solution in phosphate buffered saline with 0.08% sodium azide
Anwendungsbeschreibung	Optimal concentration should be evaluated by serial dilutions.
