### Rabbit anti Human lactalbumin, Clone: [Polyclonal], Monoclonal NMB-RAHU/ALALB/7S

|                          |  |
|--------------------------|--|
| Artikelname              | Rabbit anti Human lactalbumin, Clone: [Polyclonal], Monoclonal   |
| Artikelnummer            | NMB-RAHU/ALALB/7S  |
| Hersteller Artikelnummer | RAHu/ALalb/7S  |
| Alternativnummer         | NMB-RAHU/ALALB/7S  |
| Hersteller               | NordicMubio  |
| Wirt                     | Rabbit   |
| Kategorie                | Antikörper   |
| Produktbeschreibung      | The defined antibody specificity is directed to alpha-lactalbumin as tested against human milk. Its presence can also be demonstrated in udder tissues. When tested in immunoelectrophoresis and double radial immunodiffusion against serum no reaction i...  |
| Klonalität               | Monoclonal   |
| Klon-Bezeichnung         | [Polyclonal]   |
| UniProt                  | <a href="#">P00709</a>   |
| Puffer                   | Purified hyperimmune rabbit IgG lyophilized from a solution in phosphate buffered saline (PBS, pH 7.2). No preservative added. It is reconstituted by adding 1 ml sterile distilled water, spun down to remove insoluble particles, divided into small aliquot |
| Quelle                   | Highly purified alpha-lactalbumin isolated from human milk. Alpha-lactalbumin is one of the major proteins in the alpha region after immunoelectrophoresis of human milk. It has been implicated as a component of the enzyme lactose synthetase which catalyz |
