## Product Datasheet

### Rabbit IgG, conjugated with Horseradish peroxidase, HRP NMB-RIGG/PO

Artikelname	Rabbit IgG, conjugated with Horseradish peroxidase, HRP
Artikelnummer	NMB-RIGG/PO
Hersteller Artikelnummer	RIgG/PO
Alternativnummer	NMB-RIGG/PO
Hersteller	NordicMubio
Kategorie	Antikörper
Konjugation	HRP
Produktbeschreibung	As a substitute for a non-relevant antibody, labelled with peroxidase or an alternative for the rabbit PAP complex....
Puffer	Horseradish peroxidase coupled purified rabbit IgG in phosphate buffered saline (pH7.2). No preservative added
Formel	Horseradish peroxidase coupled purified rabbit IgG in phosphate buffered saline (pH7.2). No preservative added
Anwendungsbeschreibung	ELISA,Immunocytochemistry,Immunohistochemistry (paraffin),Dot blot,Immunoblotting. The conjugate is shipped at ambient temperature and may be stored at +4C, prolonged storage at -20C. Reconstitute the lyophilized antiserum by adding 1 ml sterile distil
