Product Datasheet

Rabbit peroxidase-anti-peroxidase, Clone: [Polyclonal], Monoclonal NMB-R/PAP

Artikelname	Rabbit peroxidase-anti-peroxidase, Clone: [Polyclonal], Monoclonal
Artikelnummer	NMB-R/PAP
Hersteller Artikelnummer	R/PAP
Alternativnummer	NMB-R/PAP
Hersteller	NordicMubio
Wirt	Rabbit
Kategorie	Antikörper
Produktbeschreibung	Peroxidase staining of unlabelled rabbit IgG antibodies....
Klonalität	Monoclonal
Klon-Bezeichnung	[Polyclonal]
Puffer	Hyperimmune rabbit IgG against horseradish peroxidase reacted with peroxidase lyophilized from a solution in phosphate buffered saline (PBS, pH 7.2). No preservative added, as it may interfere with the enzyme activity. It is reconstituted by adding 1 ml
Quelle	Highly purified horseradish peroxidase.
Formel	Hyperimmune rabbit IgG against horseradish peroxidase reacted with peroxidase lyophilized from a solution in phosphate buffered saline (PBS, pH 7.2). No preservative added, as it may interfere with the enzyme activity.
