## Product Datasheet

### Anti-Mouse IgG2c Antibody, Goat, Polyclonal QBS-83701

|                          |  |
|--------------------------|--|
| Artikelname              | Anti-Mouse IgG2c Antibody, Goat, Polyclonal  |
| Artikelnummer            | QBS-83701                                    |
| Hersteller Artikelnummer | 83701  |
| Alternativnummer         | QBS-83701-1                                  |
| Hersteller               | QED Bioscience                               |
| Wirt                     | Goat   |
| Kategorie                | Antikörper                                   |
| Applikation              | ELISA, ICC, IHC, WB                          |
| Spezies Reaktivität      | Mouse  |
| Immunogen                | Mouse IgG2c                                  |
| Produktbeschreibung      | Anti-Mouse IgG2c Goat Polyclonal Antibody... |
| Klonalität               | Polyclonal                                   |
| Konzentration            | 1.0 mg/mL                                    |
| Puffer                   | Phosphate Buffered Saline                    |
| Formulierung             | Purified                                     |
| Target-Kategorie         | Mouse IgG2c                                  |
| Antibody Type            | Secondary Antibody                           |

|                        |  |
|------------------------|--|
| Application Verdünnung | Dilute in PBS or medium that is identical to that used in the assay system.  |
| Anwendungsbeschreibung | Immunoblotting: use at a dilution of 1:1,000-1:30,000.<br>Immunohistochemistry: use at a dilution of 1:200-1:2,000<br>Immunocytochemistry: use at a dilution of 1:200-1:2,000 ELISA: for detection use at a dilution of 1:1,000-1:30,000, fo |
