Reddot RT-qPCR Universal One-Step Kit RDD-QPCR-U1-100

| | |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname | Reddot RT-qPCR Universal One-Step Kit |
| Artikelnummer | RDD-QPCR-U1-100 |
| Hersteller Artikelnummer | qPCR-U1-100 |
| Alternativnummer | RDD-QPCR-U1-100-100 |
| Hersteller | reddot Biotech |
| Kategorie | Kits/Assays |
| Produktbeschreibung | Reddot RT-qPCR Universal One-Step Kit delivers high sensitivity of the target RNA level due to its RScript reverse transcriptase, a reduced RNase H+ activity MMLV enzyme in addition to a powerful RNase inhibitors mix which aim to diminish RNA degrada... |
