Product Datasheet

Anti-mCherry Antibody ValidAb™-100µg HLB-HB6512

Artikelname	Anti-mCherry Antibody ValidAb™-100µg
Artikelnummer	HLB-HB6512
Hersteller Artikelnummer	HB6512
Alternativnummer	HLB-HB6512-100UG,HLB-HB6512-25UG
Hersteller	HelloBio
Wirt	Rabbit
Kategorie	Antikörper
Applikation	ICC, WB
Immunogen	Recombinantly expressed full-length mCherry protein
Produktbeschreibung	Antibody to mCherry - red coloured fluorescent protein widely used as a tag in molecular biology...
Klonalität	Polyclonal
Konzentration	1mg/ml
UniProt	D1MPT3
Puffer	50% PBS, 50% glycerol + 5mM sodium azide
Expression System	Exogenously expressed only. Not natively expressed in mammalian cells.
Reinheit	{no attribute purity}
Target-Kategorie	mCherry

Antibody Type	Primary Antibody
Application Verdünnung	WB: Dependent upon sample mCherry expression. We used 100ng/ml (1:10,000 dilution) in pmCherry-C3 transfected HEK293 cells. ICC: Dependent upon sample mCherry expression. We used 500ng/ml (1:2,000 dilution) in pmCherry-C3 transfected HEK293 cells.
