| Immunogen                | Synthetic peptide within Human TFIIE alpha aa 390-439 / 439.                                                                                                                                                                                                  |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | General transcription factor IIE subunit 1 (GTF2E1), also known as transcription initiation factor IIE subunit alpha (TFIIE-alpha), is a protein that in humans is encoded by the GTF2E1 gene. Recruits TFIIH to the initiation complex and stimulates the... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/mL.                                                                                                                                                                                                                                                      |
| Klon-Bezeichnung         | [JE66-41]                                                                                                                                                                                                                                                     |

|                        |                                                                           |
|------------------------|---------------------------------------------------------------------------|
| Molekulargewicht       | Predicted band size: 49.5 kDa                                             |
| UniProt                | <a href="#">P29083</a>                                                    |
| Puffer                 | 1*TBS (pH7.4), 0.05% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Reinheit               | Protein A affinity purified.                                              |
| Formulierung           | Liquid                                                                    |
| Target-Kategorie       | GTF2E1, TF2E1                                                             |
