| Immunogen                | Recombinant protein within human PIP5K1C aa 31-470 / 668.                                                                                                                                                                                                     |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Phosphatidylinositol-4-phosphate 5-kinase type-1 gamma is an enzyme that in humans is encoded by the PIP5K1C gene. This gene encodes a member of the type I phosphatidylinositol-4-phosphate 5-kinase family of enzymes. A similar protein in mice is foun... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/mL.                                                                                                                                                                                                                                                      |
| Klon-Bezeichnung         | [PSH01-43]                                                                                                                                                                                                                                                    |

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Molekulargewicht       | Predicted band size: 73 kDa                                            |
| UniProt                | <a href="#">O60331</a>                                                 |
| Puffer                 | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Reinheit               | Protein A affinity purified.                                           |
| Formulierung           | Liquid                                                                 |
| Target-Kategorie       | PIP5K1C                                                                |
