| Artikelname              | DNA Ligase IV Rabbit mAb, Clone: [ARC0595], Unconjugated, Monoclonal                                                   |
| Artikelnummer            | MBL-CNA11432S                                                                                                          |
| Hersteller Artikelnummer | CNA11432S                                                                                                              |
| Alternativnummer         | MBL-CNA11432S                                                                                                          |
| Hersteller               | MBL                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                 |
| Kategorie                | Antikörper                                                                                                             |
| Applikation              | WB                                                                                                                     |
| Spezies Reaktivität      | Human                                                                                                                  |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 504-685 of human DNA Ligase IV (P49917). |
| Konjugation              | Unconjugated                                                                                                           |
| Klonalität               | Monoclonal                                                                                                             |
| Klon-Bezeichnung         | [ARC0595]                                                                                                              |
| Molekulargewicht         | 104kDa                                                                                                                 |
| NCBI                     | <a href="#">3981</a>                                                                                                   |
| Puffer                   | PBS with 0.02% sodium azide, 0.05% BSA, 50% glycerol                                                                   |
