| Artikelname              | UGDH Rabbit pAb, Unconjugated, Polyclonal                                                                          |
| Artikelnummer            | MBL-CNA1210S                                                                                                       |
| Hersteller Artikelnummer | CNA1210S                                                                                                           |
| Alternativnummer         | MBL-CNA1210S                                                                                                       |
| Hersteller               | MBL                                                                                                                |
| Wirt                     | Rabbit                                                                                                             |
| Kategorie                | Antikörper                                                                                                         |
| Applikation              | WB                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse                                                                                                       |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 165-494 of human UGDH (NP_003350.1). |
| Konjugation              | Unconjugated                                                                                                       |
| Klonalität               | Polyclonal                                                                                                         |
| Molekulargewicht         | 55kDa                                                                                                              |
| NCBI                     | <a href="#">7358</a>                                                                                               |
| Puffer                   | PBS with 0.02% sodium azide,50% glycerol                                                                           |
| Quelle                   | Rabbit                                                                                                             |
| Reinheit                 | Affinity purification                                                                                              |

|                        |                                                                                                                                                                                                                                                                               |
