## Product Datasheet

### DDX43 Rabbit pAb, Unconjugated, Polyclonal MBL-CNA15858T

|                          |                                                                                                                     |
|--------------------------|---------------------------------------------------------------------------------------------------------------------|
| Artikelname              | DDX43 Rabbit pAb, Unconjugated, Polyclonal                                                                          |
| Artikelnummer            | MBL-CNA15858T                                                                                                       |
| Hersteller Artikelnummer | CNA15858T                                                                                                           |
| Alternativnummer         | MBL-CNA15858T                                                                                                       |
| Hersteller               | MBL                                                                                                                 |
| Wirt                     | Rabbit                                                                                                              |
| Kategorie                | Antikörper                                                                                                          |
| Applikation              | WB                                                                                                                  |
| Spezies Reaktivität      | Mouse, Rat                                                                                                          |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 429-648 of human DDX43 (NP_061135.2). |
| Konjugation              | Unconjugated                                                                                                        |
| Klonalität               | Polyclonal                                                                                                          |
| Molekulargewicht         | 73kDa                                                                                                               |
| NCBI                     | <a href="#">55510</a>                                                                                               |
| Puffer                   | PBS with 0.01% thimerosal, 50% glycerol                                                                             |
