| Artikelname              | GTSF1 Rabbit pAb, Unconjugated, Polyclonal                                                                        |
| Artikelnummer            | MBL-CNA18534T                                                                                                     |
| Hersteller Artikelnummer | CNA18534T                                                                                                         |
| Alternativnummer         | MBL-CNA18534T                                                                                                     |
| Hersteller               | MBL                                                                                                               |
| Wirt                     | Rabbit                                                                                                            |
| Kategorie                | Antikörper                                                                                                        |
| Applikation              | ICC, IF, WB                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                 |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 1-167 of human GTSF1 (NP_653195.2). |
| Konjugation              | Unconjugated                                                                                                      |
| Klonalität               | Polyclonal                                                                                                        |
| Molekulargewicht         | 19kDa                                                                                                             |
| Puffer                   | PBS with 0.01% thimerosal, 50% glycerol                                                                           |
| Quelle                   | Rabbit                                                                                                            |
| Reinheit                 | Affinity purification                                                                                             |
| Formulierung             | PBS with 0.01% thimerosal, 50% glycerol                                                                           |

|                        |                                                                                                                                                                                     |
