## Product Datasheet

### **RIPK1/RIP Rabbit mAb, Clone: [ARC0059], Unconjugated, Monoclonal MBL-CNA19580S**

|                          |                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | RIPK1/RIP Rabbit mAb, Clone: [ARC0059], Unconjugated, Monoclonal                                                        |
| Artikelnummer            | MBL-CNA19580S                                                                                                           |
| Hersteller Artikelnummer | CNA19580S                                                                                                               |
| Alternativnummer         | MBL-CNA19580S                                                                                                           |
| Hersteller               | MBL                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                  |
| Kategorie                | Antikörper                                                                                                              |
| Applikation              | IP, WB                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                   |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 289-490 of human RIPK1/RIP (NP_003795.2). |
| Konjugation              | Unconjugated                                                                                                            |
| Klonalität               | Monoclonal                                                                                                              |
| Klon-Bezeichnung         | [ARC0059]                                                                                                               |
| Molekulargewicht         | 76kDa                                                                                                                   |
| Puffer                   | PBS with 0.02% sodium azide,0.05% BSA,50% glycerol                                                                      |
| Quelle                   | Rabbit                                                                                                                  |
| Reinheit                 | Affinity purification                                                                                                   |

|                        |                                                                                                                                                                                                                       |
