| Artikelname              | BOC Rabbit pAb, Unconjugated, Polyclonal                                                                        |
| Artikelnummer            | MBL-CNA7174S                                                                                                    |
| Hersteller Artikelnummer | CNA7174S                                                                                                        |
| Alternativnummer         | MBL-CNA7174S                                                                                                    |
| Hersteller               | MBL                                                                                                             |
| Wirt                     | Rabbit                                                                                                          |
| Kategorie                | Antikörper                                                                                                      |
| Applikation              | IHC-P, WB                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                               |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 1-125 of human BOC (NP_150279.1). |
| Konjugation              | Unconjugated                                                                                                    |
| Klonalität               | Polyclonal                                                                                                      |
| Molekulargewicht         | 121kDa                                                                                                          |
| Puffer                   | PBS with 0.02% sodium azide,50% glycerol                                                                        |
| Quelle                   | Rabbit                                                                                                          |
| Reinheit                 | Affinity purification                                                                                           |
| Formulierung             | PBS with 0.02% sodium azide,50% glycerol                                                                        |

|                        |                                                                                                                                       |
