## Product Datasheet

### **RAIDD/CRADD Rabbit mAb, Clone: [ARC1770], Unconjugated, Monoclonal MBL-CNA8663S**

|                          |                                                                                                                |
|--------------------------|----------------------------------------------------------------------------------------------------------------|
| Artikelname              | RAIDD/CRADD Rabbit mAb, Clone: [ARC1770], Unconjugated, Monoclonal                                             |
| Artikelnummer            | MBL-CNA8663S                                                                                                   |
| Hersteller Artikelnummer | CNA8663S                                                                                                       |
| Alternativnummer         | MBL-CNA8663S                                                                                                   |
| Hersteller               | MBL                                                                                                            |
| Wirt                     | Rabbit                                                                                                         |
| Kategorie                | Antikörper                                                                                                     |
| Applikation              | ICC, IF, WB                                                                                                    |
| Spezies Reaktivität      | Human, Rat                                                                                                     |
| Immunogen                | A synthetic peptide corresponding to a sequence within amino acids 100-199 of human RAIDD/CRADD (NP_003796.1). |
| Konjugation              | Unconjugated                                                                                                   |
| Klonalität               | Monoclonal                                                                                                     |
| Klon-Bezeichnung         | [ARC1770]                                                                                                      |
| Molekulargewicht         | 23kDa                                                                                                          |
| Puffer                   | PBS with 0.02% sodium azide,0.05% BSA,50% glycerol                                                             |
| Quelle                   | Rabbit                                                                                                         |
| Reinheit                 | Affinity purification                                                                                          |

|                        |                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------|
| Formulierung           | PBS with 0.02% sodium azide,0.05% BSA,50% glycerol                                                             |
| Sequenz                | GDRLTGIPSHILNSSPSDRQINQLAQRLGPEWEPMVLSLGLSQTDIYRCKANH<br>PHNVQSQVVEAFIRWRQRFGKQATFQSLHNGLRAVEVDPSLLLHMLE       |
| Target-Kategorie       | A synthetic peptide corresponding to a sequence within amino acids 100-199 of human RAIDD/CRADD (NP_003796.1). |
| Application Verdünnung | WB: WB,1:500 - 1:1000 IF/ICC,1:50 - 1:200                                                                      |
