## Product Datasheet

### Recombinant Human PCDH10 (C-Fc) EBT-EPT023

Artikelname	Recombinant Human PCDH10 (C-Fc)
Artikelnummer	EBT-EPT023
Hersteller Artikelnummer	EPT023
Alternativnummer	EBT-EPT023-50
Hersteller	ELK Biotechnology
Kategorie	Proteine/Peptide
Produktbeschreibung	Recombinant Human Protocadherin-10 is produced by our Mammalian expression system and the target gene encoding Gln19-Thr715 is expressed with a Fc tag at the C-terminus....
Molekulargewicht	102.4 KDa
UniProt	<a href="#">Q9P2E7</a>
Reinheit	Greater than 75% as determined by reducing SDS-PAGE.
Anwendungsbeschreibung	Always centrifuge tubes before opening. Do not mix by vortex or pipetting. It is not recommended to reconstitute to a concentration less than 100µg/ml. Dissolve the lyophilized protein in distilled water. Please aliquot the reconstituted solution to minim
