Recombinant Mouse TfR (N-8His) EBT-EPT081

Artikelname	Recombinant Mouse TfR (N-8His)
Artikelnummer	EBT-EPT081
Hersteller Artikelnummer	EPT081
Alternativnummer	EBT-EPT081-50
Hersteller	ELK Biotechnology
Kategorie	Proteine/Peptide
Produktbeschreibung	Recombinant Mouse Transferrin Receptor Protein 1 is produced by our Mammalian expression system and the target gene encoding Cys89-Phe763 is expressed with a 8His tag at the N-terminus....
Molekulargewicht	77 KDa
UniProt	Q62351
Reinheit	Greater than 95% as determined by reducing SDS-PAGE.
Anwendungsbeschreibung	Always centrifuge tubes before opening. Do not mix by vortex or pipetting. It is not recommended to reconstitute to a concentration less than 100µg/ml. Dissolve the lyophilized protein in distilled water. Please aliquot the reconstituted solution to minim
