Product Datasheet

Recombinant Rat FGFb EBT-EPT122

Artikelname	Recombinant Rat FGFb
Artikelnummer	EBT-EPT122
Hersteller Artikelnummer	EPT122
Alternativnummer	EBT-EPT122-50
Hersteller	ELK Biotechnology
Kategorie	Proteine/Peptide
Produktbeschreibung	Recombinant Rat Fibroblast Growth Factor 2/Fibroblast Growth Factor Basic is produced by our E.coli expression system and the target gene encoding Ala11-Ser154 is expressed....
Molekulargewicht	16.2 KDa
UniProt	P13109
Reinheit	Greater than 95% as determined by reducing SDS-PAGE.
Anwendungsbeschreibung	Always centrifuge tubes before opening. Do not mix by vortex or pipetting. It is not recommended to reconstitute to a concentration less than 100µg/ml. Dissolve the lyophilized protein in distilled water. Please aliquot the reconstituted solution to minim
