| Hersteller               | NeoBiotechnologies                                                                                                                                                                                                                                             |
| Wirt                     | Mouse                                                                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                     |
| Applikation              | IHC                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Feline, Gallus, Human, Mammal, Monkey, Mouse, Porcine, Rabbit, Rat                                                                                                                                                                                             |
| Immunogen                | M1 mucin preparation from the fluid of an ovarian mucinous cyst belonging to an O Le(a-b) patient                                                                                                                                                              |
| Produktbeschreibung      | This MAb recognizes the peptide core of gastric mucin M1 (recently identified as Mucin 5AC). Its epitope is located in the C-terminal cysteine rich part of the peptide core of MUC5AC. Its epitope is destroyed by beta-mercaptoethanol but not by perioda... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                     |
