Recombinant Human CD83/HB15 Protein (His Tag) ELA-PKSH032225

| | |
|--------------------------|---|
| Artikelname | Recombinant Human CD83/HB15 Protein (His Tag) |
| Artikelnummer | ELA-PKSH032225 |
| Hersteller Artikelnummer | PKSH032225 |
| Alternativnummer | ELA-PKSH032225-50, ELA-PKSH032225-10 |
| Hersteller | Elabscience |
| Kategorie | Proteine/Peptide |
| Spezies Reaktivität | Human |
| Molekulargewicht | 19-22 kDa |
| Tag | C-6His |
| NCBI | 01151 |
| UniProt | Q01151 |
| Expression System | HEK293 Cells |
| Reinheit | > 95 % as determined by reducing SDS-PAGE. |
| Formulierung | Lyophilized from a 0.2 um filtered solution of 20mM PB, 150mM NaCl, pH 7.2. Normally 5 % - 8 % trehalose, mannitol and 0.01% Tween80 are added as protectants before lyophilization. Please refer to the specific buffer information in the printed manual. |
| Sequenz | Thr 20-Ala143 |
| Target-Kategorie | CD83,HB15 |
