Recombinant Human HMBS Protein (His Tag) ELA-PKSH032918

| | |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname | Recombinant Human HMBS Protein (His Tag) |
| Artikelnummer | ELA-PKSH032918 |
| Hersteller Artikelnummer | PKSH032918 |
| Alternativnummer | ELA-PKSH032918-50, ELA-PKSH032918-10 |
| Hersteller | Elabscience |
| Kategorie | Proteine/Peptide |
| Spezies Reaktivität | Human |
| Molekulargewicht | 47 kDa |
| Tag | C-6His |
| NCBI | 08397 |
| UniProt | P08397 |
| Expression System | HEK293 Cells |
| Reinheit | > 95 % as determined by reducing SDS-PAGE. |
| Formulierung | Lyophilized from a 0.2 um filtered solution of 20mM PB,150mM NaCl,pH7.4.Normally 5 % - 8 % trehalose, mannitol and 0.01% Tween80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequenz | Ser2-His361 |
| Target-Kategorie | HMBS |
