Product Datasheet

Recombinant Human IL-2 Receptor Subunit Beta/IL-2RB/CD122 (C-6His-Avi) Biotinylated ELA-PKSH033917

| | |
|--------------------------|---|
| Artikelname | Recombinant Human IL-2 Receptor Subunit Beta/IL-2RB/CD122 (C-6His-Avi) Biotinylated |
| Artikelnummer | ELA-PKSH033917 |
| Hersteller Artikelnummer | PKSH033917 |
| Alternativnummer | ELA-PKSH033917-100, ELA-PKSH033917-20 |
| Hersteller | Elabscience |
| Kategorie | Proteine/Peptide |
| Spezies Reaktivität | Human |
| Molekulargewicht | 35-45 kDa |
| Tag | C-6His-Avi |
| NCBI | 14784 |
| UniProt | P14784 |
| Expression System | HEK293 Cells |
| Reinheit | > 95 % as determined by reducing SDS-PAGE. |
| Formulierung | Lyophilized from a 0.2 um filtered solution of PBS, pH 7.4. Normally 5 % - 8 % trehalose, mannitol and 0.01% Tween80 are added as protectants before lyophilization. Please refer to the specific buffer information in the printed manual. |
| Sequenz | Ala27-Asp239 |

| | |
|------------------|--------------|
| Target-Kategorie | IL-2RB,CD122 |
|------------------|--------------|
