| Artikelname              | Anti-TFII I Antibody, Unconjugated, Rabbit, Polyclonal                                                                 |
| Artikelnummer            | ABC-A87918-100                                                                                                         |
| Hersteller Artikelnummer | A87918-100                                                                                                             |
| Alternativnummer         | ABC-A87918-100                                                                                                         |
| Hersteller               | Antibodies.com                                                                                                         |
| Wirt                     | Rabbit                                                                                                                 |
| Kategorie                | Antikörper                                                                                                             |
| Applikation              | ICC, IHC, WB                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                      |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 600-810 of human GTF2I (NP_001157108.1). |
| Konjugation              | Unconjugated                                                                                                           |
| Produktbeschreibung      | Rabbit polyclonal antibody to TFII I....                                                                               |
| Klonalität               | Polyclonal                                                                                                             |
| Molekulargewicht         | 135 kDa                                                                                                                |
| Puffer                   | Supplied in Phosphate Buffered Saline, pH 7.3, with 50% Glycerol and 0.02% Sodium Azide.                               |
| Formulierung             | Liquid                                                                                                                 |

|                        |                                                                                                                                                                                                                                 |
