## Product Datasheet

### **DRD2 Polyclonal Antibody, AbBy Fluor 594 Conjugated, AbFluor 594, Rabbit BSS-BS-1008R-BF594**

|                          |                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------|
| Artikelname              | DRD2 Polyclonal Antibody, AbBy Fluor 594 Conjugated, AbFluor 594, Rabbit                      |
| Artikelnummer            | BSS-BS-1008R-BF594                                                                            |
| Hersteller Artikelnummer | BS-1008R-BF594                                                                                |
| Alternativnummer         | BSS-BS-1008R-BF594-100,BSS-BS-1008R-BF594-20                                                  |
| Hersteller               | Bioss                                                                                         |
| Wirt                     | Rabbit                                                                                        |
| Kategorie                | Antikörper                                                                                    |
| Applikation              | IF, WB                                                                                        |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                             |
| Immunogen                | 201-300/443                                                                                   |
| Konjugation              | AbFluor 594                                                                                   |
| Produktbeschreibung      | Dopamine receptor whose activity is mediated by G proteins which inhibit adenylyl cyclase.... |
| Klonalität               | Polyclonal                                                                                    |
| Konzentration            | 1ug/ul                                                                                        |
| NCBI                     | <a href="#">1813</a>                                                                          |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.03% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human DRD2                                               |
| Reinheit               | Purified by Protein A.                                                                                 |
| Target-Kategorie       | DRD2                                                                                                   |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                            |
