| Artikelname              | PPL Antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                       |
| Artikelnummer            | PRS-57-532                                                                                                                                                           |
| Hersteller Artikelnummer | 57-532                                                                                                                                                               |
| Alternativnummer         | PRS-57-532-400                                                                                                                                                       |
| Hersteller               | ProSci                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                           |
| Applikation              | IHC-P, WB                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                |
| Immunogen                | This PPL antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 1301-1330 amino acids from the C-terminal region of human PPL. |
| Konjugation              | Unconjugated                                                                                                                                                         |
| Klonalität               | Polyclonal                                                                                                                                                           |
| Konzentration            | batch dependent                                                                                                                                                      |
| Molekulargewicht         | 205 kDa                                                                                                                                                              |
| NCBI                     | <a href="#">5493</a>                                                                                                                                                 |
| UniProt                  | <a href="#">O60437</a>                                                                                                                                               |
| Puffer                   | Supplied in PBS with 0.09% (W/V) sodium azide.                                                                                                                       |

|                        |                                                                            |
|------------------------|----------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                     |
| Application Verdünnung | Optimal dilutions for each application to be determined by the researcher. |
| Anwendungsbeschreibung | For WB starting dilution is: 1:1000For IHC-P starting dilution is: 1:10~50 |
