### MEF2D Antibody, Unconjugated, Rabbit, Polyclonal PRS-57-537

|                          |                                                                                                                                                                     |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | MEF2D Antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                    |
| Artikelnummer            | PRS-57-537                                                                                                                                                          |
| Hersteller Artikelnummer | 57-537                                                                                                                                                              |
| Alternativnummer         | PRS-57-537-400                                                                                                                                                      |
| Hersteller               | ProSci                                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                          |
| Applikation              | WB                                                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                                                               |
| Immunogen                | This MEF2D antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 251-279 amino acids from the Central region of human MEF2D. |
| Konjugation              | Unconjugated                                                                                                                                                        |
| Klonalität               | Polyclonal                                                                                                                                                          |
| Konzentration            | batch dependent                                                                                                                                                     |
| Molekulargewicht         | 56 kDa                                                                                                                                                              |
| NCBI                     | <a href="#">4209</a>                                                                                                                                                |
| UniProt                  | <a href="#">Q14814</a>                                                                                                                                              |
| Puffer                   | Supplied in PBS with 0.09% (W/V) sodium azide.                                                                                                                      |

|                        |                                                                            |
|------------------------|----------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                     |
| Application Verdünnung | Optimal dilutions for each application to be determined by the researcher. |
| Anwendungsbeschreibung | For WB starting dilution is: 1:1000                                        |
