## Product Datasheet

### **PGLS Antibody, Unconjugated, Rabbit, Polyclonal PRS-61-611**

|                          |                                                                                                                                                                      |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | PGLS Antibody, Unconjugated, Rabbit, Polyclonal                                                                                                                      |
| Artikelnummer            | PRS-61-611                                                                                                                                                           |
| Hersteller Artikelnummer | 61-611                                                                                                                                                               |
| Alternativnummer         | PRS-61-611-400                                                                                                                                                       |
| Hersteller               | ProSci                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                           |
| Applikation              | FC, IHC-P, WB                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                                |
| Immunogen                | This PGLS antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 191-220 amino acids from the C-terminal region of human PGLS. |
| Konjugation              | Unconjugated                                                                                                                                                         |
| Klonalität               | Polyclonal                                                                                                                                                           |
| Konzentration            | batch dependent                                                                                                                                                      |
| Molekulargewicht         | 28 kDa                                                                                                                                                               |
| NCBI                     | <a href="#">25796</a>                                                                                                                                                |
| UniProt                  | <a href="#">O95336</a>                                                                                                                                               |
| Puffer                   | Supplied in PBS with 0.09% (W/V) sodium azide.                                                                                                                       |

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                    |
| Application Verdünnung | Optimal dilutions for each application to be determined by the researcher.                                                |
| Anwendungsbeschreibung | For WB starting dilution is: 1:1000<br>For IHC-P starting dilution is: 1:50~100<br>For FACS starting dilution is: 1:10~50 |
