Human AREG Protein ASC-PRP1075

Artikelname	Human AREG Protein
Artikelnummer	ASC-PRP1075
Hersteller Artikelnummer	PRP1075
Alternativnummer	ASC-PRP1075-5, ASC-PRP1075-20, ASC-PRP1075-100
Hersteller	Abbkine Scientific
Kategorie	Proteine/Peptide
Produktbeschreibung	AREG is a one-way membrane protein consisting of 252 amino acids. AREG belongs to AREG family and contains an EGF-like domain. AREG is expressed in many tissues, including ovary, placenta, lung, kidney, stomach, colon and breast. It is related to epi...
Molekulargewicht	11.4 kDa
Tag	AREG
NCBI	374
Reinheit	>95 % as determined by SDS-PAGE
Formulierung	Lyophilized from sterile 20mM Tris, 800mM NaCl, pH 7.4.
Sequenz	Amino acid sequence derived from Human AREG (NC_000004.12) (Ser101-Lys198) was expressed.
