| Artikelnummer            | BSS-BS-0217R-PE-CY5                                                                                                                                                                        |
| Hersteller Artikelnummer | BS-0217R-PE-CY5                                                                                                                                                                            |
| Alternativnummer         | BSS-BS-0217R-PE-CY5-100,BSS-BS-0217R-PE-CY5-20                                                                                                                                             |
| Hersteller               | Bioss                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                 |
| Applikation              | FC, WB                                                                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rabbit, Rat, Sheep                                                                                                                                                           |
| Immunogen                | 143-250/288                                                                                                                                                                                |
| Konjugation              | PE/Cy5                                                                                                                                                                                     |
| Produktbeschreibung      | Plays an important role in the regulation of cell survival, cell division, angiogenesis, cell differentiation and cell migration. Functions as potent mitogen in vitro (By similarity).... |
| Klonalität               | Polyclonal                                                                                                                                                                                 |
| Konzentration            | 1ug/ul                                                                                                                                                                                     |
| NCBI                     | <a href="#">14173</a>                                                                                                                                                                      |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                     |

|                        |                                                          |
|------------------------|----------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from mouse FGF2 |
| Reinheit               | Purified by Protein A.                                   |
| Target-Kategorie       | FGF2                                                     |
| Application Verdünnung | WB(1:300-5000), FCM(1:20-100)                            |
