| Alternativnummer         | BSS-BS-0987R-BF750-100                                                                                                                                              |
| Hersteller               | Bioss                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                          |
| Applikation              | IF, WB                                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                                               |
| Immunogen                | 505-602/602                                                                                                                                                         |
| Konjugation              | AbFluor 750                                                                                                                                                         |
| Produktbeschreibung      | Esterase with broad substrate specificity. Contributes to the inactivation of the neurotransmitter acetylcholine. Can degrade neurotoxic organophosphate esters.... |
| Klonalität               | Polyclonal                                                                                                                                                          |
| Konzentration            | 1ug/ul                                                                                                                                                              |
| NCBI                     | <a href="#">590</a>                                                                                                                                                 |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.03% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human BCHE                                               |
| Reinheit               | Purified by Protein A.                                                                                 |
| Target-Kategorie       | BCHE CT                                                                                                |
| Application Verdünnung | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                            |
