| Alternativnummer         | ASB-AVARP13014-100UL,ASB-AVARP13014-25UL                                                                                                                                                                                        |
| Hersteller               | Aviva                                                                                                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                                                                      |
| Applikation              | WB                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Bovine, Canine, Guinea pig, Human, Mouse, Rabbit, Rat                                                                                                                                                                           |
| Immunogen                | The immunogen is a synthetic peptide directed towards the N terminal region of human CHRNA3                                                                                                                                     |
| Konjugation              | Biotin                                                                                                                                                                                                                          |
| Produktbeschreibung      | The CHRNA3 subunit is expressed in the soma of the majority of pyramidal cells, with the most alpha 3 immunoreactivity observed in CA2-4 and entorhinal cortex and relatively less in CA1 and subicular pyramidal cell soma.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                      |
| Konzentration            | 0.5 mg/ml                                                                                                                                                                                                                       |

|                  |                                                                                                   |
|------------------|---------------------------------------------------------------------------------------------------|
| Molekulargewicht | 57kDa                                                                                             |
| NCBI             | <a href="#">1136</a>                                                                              |
| UniProt          | <a href="#">P32297</a>                                                                            |
| Formulierung     | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
