## Product Datasheet

### **FABP4 antibody [N3C3], Unconjugated, Rabbit, Polyclonal GTX116036**

|                          |                                                                                                                                                      |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | FABP4 antibody [N3C3], Unconjugated, Rabbit, Polyclonal                                                                                              |
| Artikelnummer            | GTX116036                                                                                                                                            |
| Hersteller Artikelnummer | GTX116036                                                                                                                                            |
| Alternativnummer         | GTX116036-25,GTX116036-100                                                                                                                           |
| Hersteller               | GeneTex                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                           |
| Applikation              | ELISA, ICC, IHC-P, WB                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                         |
| Immunogen                | Carrier-protein conjugated synthetic peptide encompassing a sequence within the C-terminus region of human FABP4. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                         |
| Klonalität               | Polyclonal                                                                                                                                           |
| Konzentration            | 0.19 mg/ml (Please refer to the vial label for the specific concentration.)                                                                          |
| Molekulargewicht         | 15                                                                                                                                                   |
| NCBI                     | <a href="#">2167</a>                                                                                                                                 |
| UniProt                  | <a href="#">P15090</a>                                                                                                                               |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, 1% BSA, 20% Glycerol, 0.025% ProClin 300.                                                                                                      |
| Formulierung           | Liquid                                                                                                                                              |
| Anwendungsbeschreibung | WB: 1:500-1:3000. ICC/IF: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
