## Product Datasheet

### Geminin antibody, Unconjugated, Rabbit, Polyclonal GTX116125

|                          |                                                                          |
|--------------------------|--------------------------------------------------------------------------|
| Artikelname              | Geminin antibody, Unconjugated, Rabbit, Polyclonal                       |
| Artikelnummer            | GTX116125                                                                |
| Hersteller Artikelnummer | GTX116125                                                                |
| Alternativnummer         | GTX116125-100,GTX116125-25                                               |
| Hersteller               | GeneTex                                                                  |
| Wirt                     | Rabbit                                                                   |
| Kategorie                | Antikörper                                                               |
| Applikation              | ICC, IHC-P, IP, WB                                                       |
| Spezies Reaktivität      | Human                                                                    |
| Immunogen                | Full length human Geminin Recombinant protein.                           |
| Konjugation              | Unconjugated                                                             |
| Klonalität               | Polyclonal                                                               |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.) |
| Molekulargewicht         | 24                                                                       |
| NCBI                     | <a href="#">51053</a>                                                    |
| UniProt                  | <a href="#">O75496</a>                                                   |
| Puffer                   | 0.1M Tris, 0.1M Glycine, 20% Glycerol, 0.01% Thimerosal.                 |
| Formulierung             | Liquid                                                                   |

|                        |                                                                                                                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | WB: 1:500-1:3000. ICC/IF: 1:100-1:1000. IHC-P: 1:100-1:1000. IP: 1:100-1:500. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
