## Product Datasheet

### Influenza A virus PB2 protein antibody, Unconjugated, Rabbit, Polyclonal GTX125926

|                          |                                                                                                                                                                    |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Influenza A virus PB2 protein antibody, Unconjugated, Rabbit, Polyclonal                                                                                           |
| Artikelnummer            | GTX125926                                                                                                                                                          |
| Hersteller Artikelnummer | GTX125926                                                                                                                                                          |
| Alternativnummer         | GTX125926-100,GTX125926-25                                                                                                                                         |
| Hersteller               | GeneTex                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                                         |
| Applikation              | ICC, IP, WB                                                                                                                                                        |
| Spezies Reaktivität      | Virus                                                                                                                                                              |
| Immunogen                | Recombinant protein encompassing a sequence within the C-terminus region of Influenza A virus PB2 (A/Puerto Rico/8/1934(H1N1)). The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                                       |
| Klonalität               | Polyclonal                                                                                                                                                         |
| Konzentration            | 1.27 mg/ml (Please refer to the vial label for the specific concentration.)                                                                                        |
| Molekulargewicht         | 86                                                                                                                                                                 |
| Puffer                   | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                                                             |

|                        |                                                                                                                                                       |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                |
| Anwendungsbeschreibung | WB: 1:1000-1:10000. ICC/IF: 1:100-1:1000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
