## Product Datasheet

### NPFF2 receptor antibody, Unconjugated, Rabbit, Polyclonal GTX13198

|                          |                                                                          |
|--------------------------|--------------------------------------------------------------------------|
| Artikelname              | NPFF2 receptor antibody, Unconjugated, Rabbit, Polyclonal                |
| Artikelnummer            | GTX13198                                                                 |
| Hersteller Artikelnummer | GTX13198                                                                 |
| Alternativnummer         | GTX13198-25                                                              |
| Hersteller               | GeneTex                                                                  |
| Wirt                     | Rabbit                                                                   |
| Kategorie                | Antikörper                                                               |
| Applikation              | IHC-P                                                                    |
| Spezies Reaktivität      | Human                                                                    |
| Immunogen                | Synthetic 18 amino acid peptide from C-terminus of human NPFFR2.         |
| Konjugation              | Unconjugated                                                             |
| Klonalität               | Polyclonal                                                               |
| Konzentration            | 1 mg/ml (Please refer to the vial label for the specific concentration.) |
| Molekulargewicht         | 60                                                                       |
| NCBI                     | <a href="#">10886</a>                                                    |
| UniProt                  | <a href="#">Q9Y5X5</a>                                                   |
| Puffer                   | PBS, 0.1% Sodium azide.                                                  |
| Formulierung             | Liquid                                                                   |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | IHC-P: 4 - 7 µg/ml. IHC-P: 4 - 7 µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
