## Product Datasheet

### Acinus antibody, Unconjugated, Rabbit, Polyclonal GTX132296

|                          |                                                                                                                                                       |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Acinus antibody, Unconjugated, Rabbit, Polyclonal                                                                                                     |
| Artikelnummer            | GTX132296                                                                                                                                             |
| Hersteller Artikelnummer | GTX132296                                                                                                                                             |
| Alternativnummer         | GTX132296-25,GTX132296-100                                                                                                                            |
| Hersteller               | GeneTex                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                            |
| Applikation              | WB                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                 |
| Immunogen                | Carrier-protein conjugated synthetic peptide encompassing a sequence within the C-terminus region of human Acinus. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                          |
| Klonalität               | Polyclonal                                                                                                                                            |
| Konzentration            | 2.75 mg/ml (Please refer to the vial label for the specific concentration.)                                                                           |
| Molekulargewicht         | 152                                                                                                                                                   |
| NCBI                     | <a href="#">22985</a>                                                                                                                                 |
| UniProt                  | <a href="#">Q9UKV3</a>                                                                                                                                |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                        |
| Formulierung           | Liquid                                                                                                                        |
| Anwendungsbeschreibung | WB: 1:500-1:3000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
