## Product Datasheet

### Raptor antibody, Unconjugated, Rabbit, Polyclonal GTX132303

|                          |                                                                                                                                                       |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Raptor antibody, Unconjugated, Rabbit, Polyclonal                                                                                                     |
| Artikelnummer            | GTX132303                                                                                                                                             |
| Hersteller Artikelnummer | GTX132303                                                                                                                                             |
| Alternativnummer         | GTX132303-100,GTX132303-25                                                                                                                            |
| Hersteller               | GeneTex                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                            |
| Applikation              | IHC-P, IP, WB                                                                                                                                         |
| Spezies Reaktivität      | Human, Rat                                                                                                                                            |
| Immunogen                | Carrier-protein conjugated synthetic peptide encompassing a sequence within the N-terminus region of human Raptor. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                          |
| Klonalität               | Polyclonal                                                                                                                                            |
| Konzentration            | 0.56 mg/ml (Please refer to the vial label for the specific concentration.)                                                                           |
| Molekulargewicht         | 149                                                                                                                                                   |
| NCBI                     | <a href="#">57521</a>                                                                                                                                 |
| UniProt                  | <a href="#">Q8N122</a>                                                                                                                                |

|                        |                                                                                                                                                                     |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | PBS, 20% Glycerol, 0.025% ProClin 300.                                                                                                                              |
| Formulierung           | Liquid                                                                                                                                                              |
| Anwendungsbeschreibung | WB: 1:500-1:3000. IHC-P: 1:100-1:1500. IP: 1:100-1:500. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
