## Product Datasheet

### TDRKH antibody, Unconjugated, Rabbit, Polyclonal GTX66482

|                          |                                                                                                                       |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Artikelname              | TDRKH antibody, Unconjugated, Rabbit, Polyclonal                                                                      |
| Artikelnummer            | GTX66482                                                                                                              |
| Hersteller Artikelnummer | GTX66482                                                                                                              |
| Alternativnummer         | GTX66482-100                                                                                                          |
| Hersteller               | GeneTex                                                                                                               |
| Wirt                     | Rabbit                                                                                                                |
| Kategorie                | Antikörper                                                                                                            |
| Applikation              | WB                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                     |
| Immunogen                | Recombinant fusion protein containing a sequence corresponding to amino acids 36-355 of human TDRKH (NP_001077432.1). |
| Konjugation              | Unconjugated                                                                                                          |
| Klonalität               | Polyclonal                                                                                                            |
| Konzentration            | Batch dependent (Please refer to the vial label for the specific concentration.)                                      |
| Molekulargewicht         | 62                                                                                                                    |
| NCBI                     | <a href="#">11022</a>                                                                                                 |
| UniProt                  | <a href="#">Q9Y2W6</a>                                                                                                |
| Puffer                   | PBS, 50% Glycerol, 0.02% Sodium azide.                                                                                |

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                          |
| Anwendungsbeschreibung | WB: 1:500 - 1:2000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
