Product Datasheet

**Anti-T7-tag pAb-Agarose, Rabbit, Polyclonal
MBL-PM022-8**

Artikelname	Anti-T7-tag pAb-Agarose, Rabbit, Polyclonal
Artikelnummer	MBL-PM022-8
Hersteller Artikelnummer	PM022-8
Alternativnummer	MBL-PM022-8
Hersteller	MBL
Wirt	Rabbit
Kategorie	Antikörper
Applikation	IP
Immunogen	Binding synthetic peptide carrier protein (MASMTGGQQMGC)
Konjugation	Agarose
Klonalität	Polyclonal
Puffer	340 µg of anti-T7-tag polyclonal antibody covalently coupled to 200 µl of agarose gel and provided as a 50% gel slurry suspended in PBS containing preservative (0.09% sodium azide) for a total volume of 400 µl.
Quelle	This antibody was purified from rabbit serum using affinity column. The rabbit was immunized with carrier protein (CP) conjugated synthetic peptide, CP-MASMTGGQQMG.
Target-Kategorie	T7
Application Verdünnung	IP: 20 µL
