| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                     |
| Produktbeschreibung      | Recombinant Human LFA-3/CD58 Protein is produced by HEK293 expression system. The target protein is expressed with sequence (Phe 29 - Arg 215 ) of human CD58 (Accession BC005930) fused with an Fc, 6*His tag at the C-terminus.... |
| Tag                      | C-hFc&His                                                                                                                                                                                                                            |
