## Product Datasheet

### **SARS-CoV-2 Spike RBD Protein, His Tag (B.1.1.529/Omicron) (Trehalose free) (MALS verified), Unconjugated, Virus ABS-SPD-C522F-1MG**

|                          |                                                                                                                            |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | SARS-CoV-2 Spike RBD Protein, His Tag (B.1.1.529/Omicron) (Trehalose free) (MALS verified), Unconjugated, Virus            |
| Artikelnummer            | ABS-SPD-C522F-1MG                                                                                                          |
| Hersteller Artikelnummer | SPD-C522f-1mg                                                                                                              |
| Alternativnummer         | ABS-SPD-C522F-1MG                                                                                                          |
| Hersteller               | AcroBiosystems                                                                                                             |
| Wirt                     | Virus                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                 |
| Spezies Reaktivität      | Virus                                                                                                                      |
| Konjugation              | Unconjugated                                                                                                               |
| Produktbeschreibung      | SARSCoV2 Spike RBD, His Tag (B.1.1.529/Omicron) (SPDC522f) is expressed from human 293 cells (HEK293). - Viral Proteins... |
| Molekulargewicht         | 26.8 kDa                                                                                                                   |
| Tag                      | C-10*His                                                                                                                   |
| NCBI                     | <a href="#">43416</a>                                                                                                      |
| Puffer                   | PBS, pH7.4                                                                                                                 |
| Quelle                   | SARS-CoV-2 Spike RBD, His Tag (B.1.1.529/Omicron) (SPD-C522f) is expressed from human 293 cells (HEK293).                  |

|                   |           |
|-------------------|-----------|
| Expression System | HEK293    |
| Reinheit          | 95%       |
| Formulierung      | Liquid    |
| Target-Kategorie  | Spike RBD |
