SARS-CoV-2 (B.1.351) Inhibitor Screening Kit (Spike RBD), Virus ABS-EP-109-96TESTS

Artikelname	SARS-CoV-2 (B.1.351) Inhibitor Screening Kit (Spike RBD), Virus
Artikelnummer	ABS-EP-109-96TESTS
Hersteller Artikelnummer	EP-109-96tests
Alternativnummer	ABS-EP-109-96TESTS
Hersteller	AcroBiosystems
Wirt	Virus
Kategorie	Antikörper
Spezies Reaktivität	Virus
Produktbeschreibung	Multiple variants of SARSCoV2 are circulating globally and posing new challenges to human health. As concerns over the potential impacts of the variants grow, the develope of effcient treatment agaginst multiple variants of SARSCoV2 is an emergent ...
Quelle	Multiple variants of SARS-CoV-2 are circulating globally and posing new challenges to human health. As concerns over the potential impacts of the variants grow, the develope of effcient treatment agaginst multiple variants of SARS-CoV-2 is an emergent
Formulierung	Solid
Target-Kategorie	Spike RBD
Anwendungsbeschreibung	This kit is developed for screening inhibitors of SARS-CoV-2 (B.1.351).
