**SARS-CoV-2 Spike Trimer (JN.1) ELISA Kit (For Vaccine Development),
Virus
ABS-RAS-A199-96TESTS**

Artikelname	SARS-CoV-2 Spike Trimer (JN.1) ELISA Kit (For Vaccine Development), Virus
Artikelnummer	ABS-RAS-A199-96TESTS
Hersteller Artikelnummer	RAS-A199-96tests
Alternativnummer	ABS-RAS-A199-96TESTS
Hersteller	AcroBiosystems
Wirt	Virus
Kategorie	Antikörper
Spezies Reaktivität	Virus
Produktbeschreibung	Multiple variants of SARSCoV2 are circulating globally and posing new challenges to human health. The variant B.1.1.7 identified in the United Kingdom (UK) carries a large number of mutations and is reported to spread more easily and quickly than ot...
Quelle	Multiple variants of SARS-CoV-2 are circulating globally and posing new challenges to human health. The variant B.1.1.7 identified in the United Kingdom (UK) carries a large number of mutations and is reported to spread more easily and quickly than othe
Formulierung	Solid
Target-Kategorie	Spike Trimer
Anwendungsbeschreibung	This kit is developed for quantitative detection of SARS-CoV-2 Spike Trimer (JN.1) in samples.
