| Kategorie                | Proteine/Peptide                                                                                                                             |
| Applikation              | SDS-PAGE                                                                                                                                     |
| Produktbeschreibung      | Rat ALT1/GPT1 Recombinant Protein expressed in E. coli with His-tag. Sequence domain: 1-496aa. Application(s): Enzyme Activity, SDS-PAGE.... |
| Konzentration            | 1mg/ml (determined by absorbance at 280nm)                                                                                                   |
| Molekulargewicht         | 57.5 kDa (519aa)                                                                                                                             |
| Tag                      | His-Tag                                                                                                                                      |
| UniProt                  | <a href="#">P25409</a>                                                                                                                       |
| Puffer                   | Phosphate-Buffered Saline (pH 7.4) containing 10% glycerol                                                                                   |
| Quelle                   | E. coli                                                                                                                                      |
| Reinheit                 | > 90% by SDS-PAGE                                                                                                                            |
| Formulierung             | Liquid                                                                                                                                       |
