VEGF-E Vascular Endothelial Growth Factor-E Recombinant Protein(Orf Virus) BOB-PROTQ2F842

Artikelname	VEGF-E Vascular Endothelial Growth Factor-E Recombinant Protein(Orf Virus)
Artikelnummer	BOB-PROTQ2F842
Hersteller Artikelnummer	PROTQ2F842
Alternativnummer	BOB-PROTQ2F842-2UG, BOB-PROTQ2F842-10UG, BOB-PROTQ2F842-1MG
Hersteller	Boster Bio
Kategorie	Proteine/Peptide
Produktbeschreibung	A DNA sequence encoding the mature variant of ovVEGF-E isolate D1701 (Dehio et al., 1999, GenBank accession No. AF106020) was expressed in E. coli as a 132 amino acid residue fusion protein with an N-terminal His-tag sequence and a thrombin cleavage ...
UniProt	Q2F842
Puffer	The protein was lyophilized from a concentrated (1mg/ml) solution containing PBS.
Quelle	Escherichia coli
Reinheit	Greater than 90.0% as determined by SDS-PAGE.
Formulierung	Sterile Filtered White lyophilized (freeze-dried) powder.
Sequenz	Err:504
